

CAN YOU HELP YOUR CLUB?

Between the months of April and September, the club competes in various track and field leagues.

As you can see below, there are a lot of meetings, and hence we are always in need of additional people who can help with duties such as track judging/ timekeeping/ field event officiating. You don't necessarily need to be qualified.

If you are able to assist at any of these meetings, can I ask you to contact the relevant people specified below.

National Young Athletes League 2009 - Midland One(Midland Western) [contact Chris Brook](#)
